ISL Publications / Factual Databases

- We publish analyses and information services and have factual databases at our disposal for statistical market research.

Publications

- Publication series with emphasis on current topics
- Statistical market data for maritime economy containing information on shipping and shipbuilding markets, sea trade and freight rate developments as well as indicators of cargo traffic of leading world sea ports

Information services

- Summary of important statements on future development of shipping markets, shipbuilding, ports, economy and trade
- Registration of all new shipbuilding contracts
- Bibliographic listing of new acquisitions within the Institute's library

Factual databases

Numerous databases used for market analyses, statistical publications, information and customers enquiries

Factual databases Phone: +49-421-22096-32/27/26
Publications / Subscription Phone: +49-421-22096-38
E-Mail: subscription@isl.org

ISL Information Centre / Library

- We advise and inform fast, comprehensively and professionally about markets, industries and business.

The ISL library is one of the largest special libraries in the sectors of shipping economics and logistics worldwide. As a central information spot, it has international literature and economic data at its disposal.

Subjects

- Shipping and Ports
- Shipbuilding and Supply Industry
- Economy and Commerce
- Transport, Logistics
- Information and Communication Systems within Logistics

Services

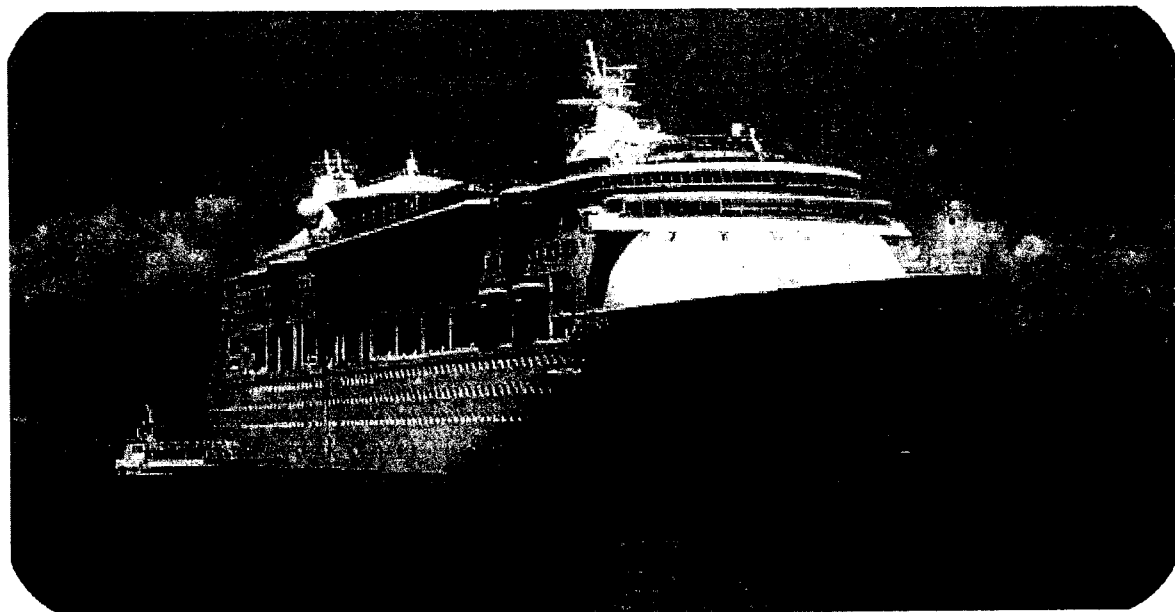

- Brief information
- Investigations about literature and facts
- Special customer profiles
- Provision of photocopies

Enquiries by Phone +49 421-22 096-43/44/46
Hours of Business Mo - Th 9:00 - 16:30 CET
Fr 9:00 - 14:30 CET

ISL World Cruise Fleet Register 2001/2002

‡ Entries are based on Information up to July 2001.

‡ Included are all seagoing passenger vessels of 1000 grt/gt and over, with 100 or more berths year-round or temporary engaged in cruising.

ISL World Cruise Fleet Register in 2001

compiled by Arnulf Hader and Dr. Marion Hockmann

The following list includes all seagoing passenger vessels of 1000 grt/gt and over, with 100 or more berths year-round or temporary engaged in cruising. Not included are cargo vessels on cargo liner services, car ferries and passenger ferries on ferry services and private yachts. There are 254 vessels (8,505,193 grt) actively trading 2001 or planned to be commissioned until December 2001. A growing number of older ships is laid up for different reasons, these are not included.

Definitions and Abbreviations

Column: 2	Type	Column: 6	Built
first letter -	H for hybrid engines M for motor ships T for turbine ships S for sailing Ships	Built means year of first commissioning	
second letter -	C for cruise ships F for car ferry L for passenger liner I for ice breaker	Column: 7	Modif.
third letter -	y for year-round cruising e for episode charters s for seasonal cruising/lay up	Modif. means year of latest major rebuilding or refurbishment	
Column: 3	Region	Column: 8	Cab.
Regions of employment : see list of Abbreviations below		Cab. stands for number of passenger cabins	
Column: 4	Itinerary	Column: 9	Beds
Region of employment or ports visited		Lower beds: normally number of lower bed passengers or "100% occupancy" during cruises	
Column: 5	GT	Column: 10	Crew
gt according to Lloyd's Register of Shipping		Number of Crew	
		Column: 11	Flag
		Registered flag, for list of abbreviations see below	
		Column: 12	Charterer
		Charterer is mentioned if not identical to owner/operator	
		Column: 13	Agents
		For list of agents for Germany see below (GA = General Agent)
